BENEFITS for CONTRACTORS: Property Owners & Managers are in a Competitive Retail Environment!

Contractors should be able to offer alternatives to traditional methods. GLOBAL makes this possible!

*We can **AntiIce your properties** or lease/sell you Equipment, Product, Storage Systems, & offer discounts on bulk.*

Advantages for Contractors using the AntiIce

Program:

- √ Limits your liability (reduces your insurance costs)
- √ Enhances client acceptance, giving you a competitive advantage.
- √ Satisfies Environmental & Government initiatives to find alternatives to traditional methods of ice and snow control

"Ma & Pa" spray rigs for Gator or truck

The AntiIce Program fosters Client Acceptance by enhancing:

- √ Safe passage for customers (shopping carts, etc)
- √ Property preservation – pavement & sidewalk damage, grass & foliage, etc.
- √ Employee health & safety (reduction in W.C.B. claims)
- √ Prevention of costly slip and fall accidents (litigation)

Full sized spray rigs

Effectiveness:

- √ Expedites snow removal
- √ Less wear and tear on equipment
- √ No worries of snow compaction into ice

200 to 5,000litre storage systems

Hidden cost savings:

- √ no sand/salt expenses or tracking /salt residue
- √ reduces spring clean-up & eliminates dust problems
- √ no catch basin clean out
- √ less abrasion of pavement/line paint

From backpack to push to ride'em, & drive'ems
